

<b>4. <u>First-aid measures</u></b>	<p>Eye contact: Rinse thoroughly with plenty of water for several minutes. If symptoms persist, seek medical advice.</p> <p>Skin contact: Rinse affected area with water. If needed apply cold compress to relieve irritation. If symptoms persist, discontinue use of product and seek medical advice.</p> <p>Ingestion: Drink water to dilute product. Do not induce vomiting. Act immediately in order to prevent further irritation of mouth, throat and stomach mucosa. If symptoms persist, if persistent vomiting occurs or if blood tinged vomitus is present, seek medical advice.</p> <p>Inhalation: Go in open air and ventilate suspected area. If irritation is experienced, mouth and throat may be rinsed with water. Aerosolized product adhering to the nasal cavity may be rinsed/diluted with saline/plain water. If irritation or asthma-like symptoms persist, seek medical advice.</p>
<b>5. <u>Fire fighting measures</u></b>	The product itself will not burn. If anything, packaging may be involved in a fire. If the product is involved in a fire, it can release toxic chlorine gases. Use CO <sub>2</sub> , dry chemical powders or alcohol resistant foam. If water is used, contain run-off.
<b>6. <u>Accidental release measures</u></b>	Avoid spillage into sewers or surface water. For small spills, sluice to drain with plenty of water. For large spills: pump into plastic containers and rework/dispose of as per local legislation.
<b>7. <u>Handling and storage</u></b>	Store in a cool and dry area.
<b>8. <u>Exposure controls / Personal protection</u></b>	Not a hazard in normal use. No personal protective equipment required.
<b>9. <u>Physical and chemical properties</u></b>	<p>Appearance: Liquid</p> <p>Odour: perfume</p> <p>pH as is : 13.0</p> <p>Not Flammable. Non-Explosive. Non-Oxidizing</p> <p>Relative density: 1.03 g/cc</p> <p>Water solubility: High</p>
<b>10. <u>Stability and reactivity</u></b>	Stable under normal conditions. Materials to avoid: metals, acids. In contact with acids, Cl <sub>2</sub> -gas could be released.
<b>11. <u>Toxicological information</u></b>	<p>Not acutely toxic, may cause vomiting. If large quantities are ingested, treat symptomatically. Do not induce vomiting. If irritant effects are seen, these will be mild to moderate, depending on exposure. If in contact with eyes, flushing with water is recommended.</p> <p>Estimated acute oral toxicity: LD50 (rats) ≥ 5 g/kg</p> <p>Eye irritation: Mildly to moderately irritating to the eyes</p> <p>Skin irritation: Mildly to moderately irritating to the skin</p> <p>Chronic toxicity: Repeated exposure to low levels will not cause adverse effects</p> <p>Contact sensitization: Does not provoke a sensitization reaction</p>

<p><b>12. <u>Ecological information</u></b></p>	<p>The product is intended for wide dispersive use and is compatible with the down-the-drain disposal route. The product is not considered harmful to aquatic organisms nor to cause long-term adverse effects in the environment. The surfactants contained in this preparation comply with the biodegradability criteria as laid down in Regulation EC/648/2004 on detergents.</p>
<p><b>13. <u>Disposal considerations</u></b></p>	<p>Professional product ending up down the drain after use. Observe safe handling precautions and local legislation.</p>
<p><b>14. <u>Transport information</u></b></p>	<p>Not subject to ADR/IATA/IMDG codes.</p>
<p><b>15. <u>Regulatory information</u></b></p>	<p>This product is classified as Xi; R36/37/38 (Irritant; Irritating to eyes, respiratory system and skin) according to EU Directive 1999/45/EC and national laws. All substances in the preparation are registered in the EU. <u>Label information:</u>                        Irritant                      Irritating to eyes, respiratory system and skin                      Keep out of reach of children                      Avoid contact with eyes                      In case of contact with eyes, rinse immediately with plenty of water and seek medical advice                      If swallowed, seek medical advice immediately and show this container or label.                      After contact with skin, wash immediately with plenty of water                      Do not mix with acids or other cleaning products                      Warning! Do not use together with other products. May release dangerous gases (chlorine).                      Do not breathe spray                      Use only in well ventilated areas</p>
<p><b>16. <u>Other information</u></b></p>	<p>This product does not require any special training before use. Usage and handling instructions are mentioned on package and on this Material Safety Data Sheet. <u>Ingredients (EC/648/2004):</u>                      &lt; 5% Anionic surfactants, Chlorine-based bleaching agents                      Disinfectants, Perfume</p>
